

August 10- 2020 News letter

Dear Friends; we send our special greetings in the name of our Lord and savior Jesus Christ! Again we want to bring our thanks to you all who have been participating in this great commission of our Lord Jesus Christ in different ways: Some prayed other with their finances and others with their presence in the field. Your support has been enabling us to reach out and make disciples for Christ in Rwanda. Also bring hope to the people during this time of Covid-19. We acknowledge and appreciate every support you offered to Rwandan community through our evangelism Ministry.

We know the enemy of the church; the devil has been working through Covid-19, by injecting to the whole world fear, anger, depression, economical hazard and causing death to many family members. I believe some people would have questions in their minds, asking themselves where is God, or why did God allow such thing to happen? So they end up saying that there is no God, if God was there people would have not die like this!!

We thank God that Church did not sit in quarantine and watch, but stood firm together worldwide, using the technology to reach out to the isolated world with word of comfort from God through live streaming. In other places where technology is not available, men and women of God reached their community in other ways led by the Spirit of God. So God is at work even now through Jesus & Holy Spirit.

Isaiah:26.3-4: You will keep in perfect peace those whose mind are steadfast, because they trust in you. For the Lord, the Lord himself is the Rock eternal. NIV. I want to assure you that, if it wasn't God to be there for us, no one would survive the terror of the evil in today's world

Juliet & I took a step of Faith which we believe is our strong security in everything we do. We opened our house as usual for the vulnerable people and others who need help of any kind. We trusted God to protect us though the rules was to stay home and not allow people in your house. We acted differently and we opened our home which turned into a center for food supply for poor people and our Lord Jesus did His work and no one in my house had contracted COVID 19 virus. God has given us an opportunity to minister to many people in the midst of covid-19 challenges and many accepted Jesus as Lord and savior. We praise God for His protection.

Juliet with finished bags made by school holiday young ladies & widows during Covid-19 Quarantine, also with table mats made from beads. **Bellow:** young ladies on sewing machine, while others on knitting machine. These have made these vulnerable widows not to be lonely.

A house built for a widow in Kavumu village, a Rwandan returnee from Burundi who came without any property. She is happy now understanding who Jesus is for her. **(Practical evangelism)**

Above left: Juliet ready with equipment's for Faith Academy School to fight Covid-19 before school starts in September. But this type of had wash is not accepted now. **Right:** School children putting on sweater made by both young ladies and widows in training from our house during covid-19 quarantine.
